Motor: gas inboard.

Headroom: 6' 0" (1.83 m)

Berths: 4 to 5

Rating ([PHRF-LO](#)) : 225

The Nash 26 is a relatively large 26 footer with a nice interior layout which includes the maximum in the way of cruising amenities for a boat in this size range. Despite the priority placed on interior space, it still has acceptable proportions for a cruising boat, although some later Nash 26s appear to have been built with a slightly boxy-looking cabin.
